Not for profit management, member support and advocacy for a stronger legal aid system are all involved.

The position involves regular communication with Legal Aid BC, including through the various Tariff Committees, as well as with government. Support of legal aid lawyers and A.L.L. members is also very important.

The ideal candidate will have most or all of the following attributes:

- Lawyer preferred, or someone with experience in a law related environment
- A good understanding of legal aid practice in B.C.
- Experience in running a not for profit (budgeting/dealing with a Board)

- Good communication skills

The position is part-time (90 hours per month) and is supported by a part-time Administrative Assistant. The salary range is up to $100,000 per year. Employment exclusivity is expected unless otherwise approved by the Board.

This position represents a unique opportunity to contribute to access to justice and legal aid in British Columbia.
